**12. Reports:**

a. Reports on MVCAC Annual Conference held in Monterey, CA. Trustees Anderson, Tonnesen, Schock and White.

Trustee Schock completed the Trustee Harassment Training Session. He said the information provided about the Unmanned Aerial Systems (UAS) was very informative and feels this technology would be beneficial for the district. He also stated that the exhibitor displays provided a lot of insight and advances in the mosquito control industry, suggested the district look into a blue dye for the fish ponds to aid in algae control.

Trustee White very much enjoyed the conference and he also completed the Trustee Harassment Training Session. He was impressed with the Greater LA VCD Education Tour Bus to bring a hands on display to schools, special events etc. Assemblymember Caballero was honorary speaker at the Monday morning's plenary session and received an award from MVCAC for her supportive efforts for mosquito control in the state of California. Also there is a new section on the MVCAC website dedicated just for trustees and at the trustee training session discussion encouraged more involvement and wanted input on trustee topics/training for future conferences.
